SPOTLIGHT

King's Corner

King's Corner is a mobile mentoring and youth empowerment program designed to meet young people where they are—physically, emotionally, and mentally.

Built inside a custom mobile unit, King's Corner brings hope, skills, and opportunity directly into underserved communities through hands-on learning, mentorship, and inspiration.

Growing up in North Minneapolis, I didn't have much guidance or positive role models, and often found myself around trouble. I was in and out of foster homes for most of my childhood until my grandma took me in until I was 18. She was more so focused on turning my behavior around and bringing me to church every Sunday which molded me into a respectful young man.

When I finally got out on my own, I realized it was much more than being an adult than I was prepared for, such as the importance of maintaining a good credit score or other essential information that teens should know before reaching adulthood. I am building Kings Corner to teach our next generation everything I wish I knew growing up, and I am always still learning something new every day! King's Corner would love to partner with local businesses and professionals to host events and classes for the youth even if they are just shadowing your business! I can be reached at **612-449-4583 or email: Tyrone_raino@yahoo.com**

Expect thought-provoking questions, honest perspectives, and space to reflect on how we show up—and connect—with one another.

Then stay for our **Singles Afterparty: Game Night Experience** 🎮—where the vibe shifts from insight to interaction. Participate in original games and curated activities, mingle, and maybe even meet someone new. We're sponsoring **10 first dates** for matches made that night.
